VAAANCE!

What
My VPN connection got disrupted again!
Argh.
That's why I always told you to use SSH instead.

Other methods to scale the Great Firewall are not always reliable.
Ugh
Learn on your own
BLOCKED!
What the hell?!
Now go away
I'm in the middle of a hack.

Well
Heh
Observe!
this sexy redhead will be "mysteriously" assigned as my new roommate
STUDENT UNIVERSITY STUDENT REGISTRATION RECORD
bro

SO WHAT?
DON'T
DO IT
Huh?
Why not
Never mind
Your plan is brilliant
Yea
Absolutely nothing can go wrong

Whatever
You'll see
My hacks are always perfect
And
no tracks = no problems
Prey,
we have a problem.
To be continued...
